Please note:

It is strongly recommended to create your username with two parts, your first name and last name separated by “.”, similar to the one shown above.

Once registered you will receive a valid password to the registered email address which you can use for signing in and changing your password. You can participate in the bid event only if you have registered in the system.

It has been observed, that depending on the browser you use and the internet available internet capacity, the registration process may take some time. It is highly recommended to avail sufficient time for registration of your company in the ATLAS-system.

It is the responsibility of the bidder to make sure bids are submitted within this deadline. UNDP will not accept any bid that is not submitted directly in the system.

Submit your bid better a day prior or well before the closing time. Do not wait until last minute. If you face any issue submitting your bid at the last minute, UNDP may not be able to assist. Please note that submitting files in the format and structure requested in the ITB, requires planning and some time.

Yours sincerely,
Procurement Unit
