and knowledge documents to support and inform the future pipeline and programs of the African Development Bank.

- Represent the African Development Bank's water sector in events held in Libya in Libya to the Libyan government, regional and national clients, and bilateral and multilateral partners.

1. The *Water* Development & Sanitation Department invites Individual Consultants to indicate their interest in providing the above-described services. Interested Consultants shall provide information on their qualifications and experience demonstrating their ability to undertake this Assignment (documents, reference to similar services, experience in similar assignments, etc.).
2. The eligibility criteria, the establishment of a short list and the selection procedure shall be in conformity with the Bank's Procurement Policy Framework for projects financed by the Bank Group, October 2015 Edition, available on the Bank Website at <http://www.afdb.org> . Please, note that interest expressed by a Consultant does not imply any obligation on the part of the Bank to include him/her in the shortlist.
3. The estimated duration of services is four months on a part time basis (75%) and the estimated starting date is 1st of July 2021. An extension could be considered, subject to performance and availability of funds.
4. Interested Individual Consultants may obtain further information at the address below during the Bank's working hours: 8H00 to 17H00
5. Expressions of interest must be received at the address below no later than 10th June 2021 at 17H00 local time and specifically mentioning "International Water Supply and Sanitation Specialist Consultant Position based in Libya".
